Abstract (200-300 words):

☐ If you need to give an abstract, give it in ONE paragraph;
☐ If you need to put the information of a reference in an abstract, give the complete information in the body of the abstract, so that readers can reach the reference based only on the information in the body of the abstract. That is, DO NOT write "According to Inohara (2016), ….," BUT write "According to Inohara (J. of ****, Vol.**, No.**, pp.***-***, 2016), …. ."
